

Coastline Realty's

CORONAVIRUS PROTOCOL

WHY IS TOPSAIL ISLAND NC, STILL SUCH A GREAT CHOICE FOR A SUMMER FAMILY VACATION DESTINATION, EVEN WITH THE LOOMING CORONAVIRUS SCARE?

- It's Not A Cruise Ship Environment
- No Need for Commercial Airlines
- There Are No Large Theme Parks

HERE IS THE COMPLETE EXPLANATION!

Topsail Island has always been recognized as a **family-oriented beach** which means less commercialization and less of a chance of being exposed to large crowds (**avoiding crowds**). Most of our vacationers have no need to fly on commercial airlines to visit our area, as they can simply drive in the privacy of their own vehicle (**avoiding crowds**), also gas prices may still be at an all-time low. Once you arrive at your chosen rental property, you will find it is equipped with its own private kitchen which means you can prepare your own meals and therefore avoid having to go out to restaurants (**avoiding crowds**). Guests staying at a Topsail Island rental property can easily walk out on the beautiful beach right in front of their rental property, swim in the ocean, fish from the surf, bask in the sun, or simply enjoy the peaceful serenity and relaxation offered with a Topsail Island vacation.

As you can see, **Topsail Island** is still a great choice that may allow vacationers the benefit of having a **summer vacation** destination that may be as safe as being at home, as long as travel is not restricted.

Coastline Realty takes your health and well-being to heart, and therefore we want the guests that visit **our properties** to feel comfortable and assured that extra precautions have been taken to keep you and your family safe while enjoying your **summer vacation**. Your health and safety are our top priorities.

THE FOLLOWING ARE A FEW OF THE SPECIAL PRECAUTIONS IMPLEMENTED BY COASTLINE REALTY TO HELP ENSURE YOUR SAFETY WHILE ON VACATION.

- (1) We have enhanced the cleaning techniques used to sanitize guest accommodations using a combination of special bleach disinfectants and/or steam on delicate surfaces.
- (2) All ordered linens will have been cleaned in **160-degree water** as well as utilizing **chlorine bleach products to kill any viruses or pathogens (see exhibit)**. For your added safety the linens will be delivered to your rental home in **special sanitized packaging (see exhibit)**. Also, if you feel more secure with bringing your own linens from home, that choice will be allowed as well.
- (3) All bedding will be treated with **special disinfectants** designed to kill any viruses or pathogens.
- (4) In addition, we have taken steps to help ensure your safety during check-in and check-out. This will include sanitizing keys before you receive them, sanitizing our office check-in/check-out area frequently during the day.

On our website look for this button.

Special Sanitized Participating Properties

Once you click on the button you will see a list of all properties that participate in this special sanitizing protocol.

ALL THE ABOVE WILL BE IMPLEMENTED UNTIL ANY & ALL CONCERNS HAVE SUBSIDED

Coastline Realty has already booked a large percentage of properties for 2020 vacations and most are booked to repeat guests that have vacationed here many times in the past. These guests very well understand the safety benefits of vacationing in a private rental property, at a non-commercialized family-oriented beach, like **Topsail Island North Carolina**. These families will be returning late Spring and early Summer to again enjoy the peace and tranquility of the beautiful Topsail Island beaches, **and you may also**.

Coastline Realty looks forward to helping **YOU** and your family to also enjoy a fabulous 2020 **summer vacation** on beautiful Topsail Island NC, while we are still keeping the safety of you, your family and the community in mind.

Please understand, once this scare is over, and it will be, **and everything is safe again**, there will be a mad rush for everyone to book a **summer vacation**, however by then, rental properties will become as scarce as hand sanitizer is today. Why not reserve your **summer vacation** today while some properties still have availability?

We Welcome You To Topsail Island This Summer!
